brady donovan with a baseball scholarship to easton university and awesome family and friends my life is pretty golden except things have never come together for me in the romance department until kellan crawford walks onto the field as the team's newest bat boy bells and whistles go off in my body and just like that i'm totally crushing on a guy for the first time in my life too bad he's the coach's son and officially off limits kellan crawford i'm working toward my statistics degree so landing the bat boy position with the easton u pirates is right up my alley it keeps me close to the action on the field even if that means hauling equipment picking up sweaty jockstraps and putting up with the players antics my dad's the coach and his number one rule is never to play favorites which probably includes getting too friendly with the team captain but brady donovan's annoyingly perfect smile and protective nature are making that nearly impossible when something shifts between us at an away game everything is thrown off kilter donovan's never been with a guy before and i certainly don't

want to be his test case but i can't seem to help myself he's sweet and hot and somehow charms the baseball pants right off me if coach ever catches wind of this he'll bench us both disappointing my dad might kill me but so would losing the guy who makes my heart pound harder than a home run in the bottom of the ninth so much for not playing favorites bat boy is a feel good college baseball romance with swoon and banter and steam it's a tad shorter than my other full length novels and is intended for those readers who might need a lighter escape from the real world
